

### SCHMIDT ABRASIVE VACUUM LOADING SKID

The Schmidt® Abrasive Vacuum Loading Skid makes easy work of recovering spent abrasive around your worksite. The system incorporates:

- 350CFM Pneumatic Vacuum Pump & 20metres of vacuum hose;
- Hopper lid comprising inlet and outlets; and
- Drum vacuum hopper complete with forklift pockets, lifting eye's and camlock outlet;

#### Key Benefits:

- No moving parts means maintenance free operation;
- Recover 25–50 kg per minute of spent abrasive (even when wet).
